General Bylaws

Bylaw 101

These Bylaws and Rules apply to all parties contracting under our Bylaws and Rules.

Bylaw 102

- 1 If a contract is made under our Bylaws and Rules:
 - all of the Bylaws in this book will apply to the contract and no amendment by the buyer and seller is allowed; but
 - the buyer and seller can agree terms in their contract which are different to any of the Rules.
- 2 If we change any of the Bylaws or Rules after the date of the contract, the change will not apply to the contract unless the buyer and seller agree otherwise.
- 3 All other changes will apply when we say so.

Bylaw 103

- 1 These Bylaws and Rules must not be translated into any other language unless the Directors have agreed.
- 2 If there is a doubt or difference in the meaning between any translation and the English, the Bylaws and Rules in English will apply.
- 3 We are not responsible for any mistakes in any version of the Rule Book.

Bylaw 104

The powers which the Bylaws and Rules give to the President are also given to the First Vice-President, Second Vice-President and any acting President.

Bylaw 105

In these Bylaws and Rules:

- If something must be done within a fixed number of days of an event, the number of days will not include the day of the event itself. Days allowed will run continuously.
- Unless the buyer and seller agree otherwise, a kilogram will equal 2.2046 pound weight (lb).
- 'He', 'him' and 'his' mean 'she', 'her' and 'hers' if necessary.
- Words referring to people can also refer to firms if necessary.
- Words in the singular also cover the plural. Words in the plural also cover the singular.

The Contract

The application of Bylaws and Rules

Bylaw 200

Every contract made under our Bylaws and Rules will be deemed to be a contract made in England and governed by English law.

Bylaw 201

- 1 Subject to Bylaws 302 and 328 the following clauses will apply to every contract made under our Bylaws and Rules, or containing words to similar effect:
 - The contract will incorporate the Bylaws and Rules of the International Cotton Association Limited as they were when the contract was agreed.
 - If any contract has not been, or will not be performed, it will not be treated as cancelled. It will be closed by being invoiced back to the seller under our Rules in force at the date of the contract.
 - All disputes relating to the contract will be resolved through arbitration in accordance with the Bylaws of the International Cotton Association Limited. This agreement incorporates the Bylaws which set out the Association's arbitration procedure.
 - Neither party will take legal action over a dispute suitable for arbitration, other than to obtain security for any claim, unless they have first obtained an arbitration award from the International Cotton Association Limited and exhausted all means of appeal allowed by the Association's Bylaws.

The words 'all disputes' can be changed to read 'quality disputes' or 'technical disputes'. But if nothing else is agreed, the words 'all disputes' will apply.

- 2 Attention is drawn to Bylaws 302 and 328 which allow the Directors to deny arbitration, if, on the day before the date of the contract giving rise to the dispute, either party has its name circulated on the ICA List of Unfulfilled Awards in accordance with Bylaw 365.
- 3 This Bylaw will apply even if the contract is held to be invalid or ineffective, or was not concluded.

Bylaw 202

Unless the buyer and seller agree otherwise, the provisions of the following will not apply to contracts made under our Bylaws and Rules:

- the Uniform Law on International Sales Act (1967); and
- the 1980 Vienna Convention on Contracts for the International Sale of Goods.

Closing contracts in special cases

Bylaw 203

- 1 If a buyer or seller (in circumstances not covered by other regulations):
 - suspends payment;
 - enters into an arrangement with his creditors;
 - has a receiver or administrator appointed to run his business;
 - is asked to wind up the company through a petition; or
 - is judged by the Directors to be unable to continue to manage his affairs (or dies);

either party may give the President full written details and ask for the contract to be closed. The President may then appoint a tribunal to decide whether it should be closed. The President will fix a fee for the arbitrators which must be paid by the party who asked the President to take action. If the party paying the fee is not a Principal Firm they must pay us an extra fee set by the Directors.

- 2 If the arbitrators decide the contract should be closed, they will fix the prices and terms for closing. Either party can appeal to the Directors against the arbitrators' decisions. The appeal must be made in writing to the Secretary, accompanied by the reasons for appeal, within seven days (one week).

Container Trade Rules Agreement

RULES

Rules are the non-mandatory provisions of the Association and can be varied by the mutual agreement of the parties.

Shipment and the Bill of Lading

Rule 200

A signed bill of lading will be evidence of the date of shipment.

Rule 201

- 1 The seller must provide an invoice or full and correct details of marks, ships' names and other facts contained in the bill of lading within the time set out in the contract. If the seller does not do so, the buyer can close all or part of the contract covered in the bill of lading and invoice it back to the seller as laid down in our Rules. The buyer must do this within 14 days (two weeks) of the deadline set out in the contract. If the seller provides the invoice or details after the deadline, and the buyer intends to close the contract or any part of it, he must let the seller know within three days.
- 2 If there is no time limit set in the contract and the seller does not provide the invoice or details within 21 days (three weeks) of the date of the bill of lading, the above will apply.
- 3 Shipping Instructions and Letters of Credit must be issued for the full value of the quantity of the shipment, notwithstanding the allowed variation in weight of the shipment. (Please see Rule 220).
- 4 In the event that Letters of Credit are opened late, or Shipments have not been made as stipulated in the contract, then both parties may agree to extend the shipment period. If the parties cannot agree to extend the shipment period, then Rule 237 and Rule 238 apply.
- 5 Slight differences in marks will not be relevant.

Rule 202

If the buyer can prove that the details set out in the bill of lading are incorrect or do not meet the terms of the contract, he can take the matter to arbitration. The arbitrators will decide whether the buyer should accept the cotton with an allowance or have a chance to close out the contract. For shipments over land, the buyer must apply for arbitration within 42 days (six weeks) of receiving the details. For shipments by sea, he must apply within 28 days (four weeks) of receiving the details.

Rule 203

The contract will not be closed if the cotton, or part of it, is shut out from the named ship, as long as the bill of lading is correct and fits the definition given in Bylaw 100. This only applies to contracts for shipment, not to contracts for sailing or clearance.

Rule 204

If there is a dispute over a contract for the shipment of American cotton in containers from US ports it will be settled under the 'Container Trade Rules' set out in Appendix B of our Rule Book.

Insurance

Rule 205

When a buyer or seller takes out insurance on a shipment of cotton under a contract made under our Bylaws and Rules, the insurance must include:

- 'Marine cargo insurance' and 'transit insurance' in line with the Institute Cargo Clauses (A) or Institute Commodity Trades Clauses (A);
- 'War Risks Insurance' in line with the Institute War Clauses (Cargo) or the Institute War Clauses (Commodity Trades);
- 'Strikes, riots and civil commotions insurance' in line with the Institute Strikes, Clauses (Cargo) or Institute Strikes Clauses (Commodity Trades),

and cover the invoice value of the shipment plus 10%.

Rule 206

Unless otherwise agreed between the parties, the seller shall be responsible for country damage, subject to the limitations detailed in Rule 208 (b).

Rule 207

The following conditions apply to contracts where the seller is responsible for providing marine cargo insurance, transit insurance and country damage insurance:

- a There must be a policy document or certificate of insurance. This document or certificate must be produced as one of the shipping documents.
- b If the cotton is country-damaged when it arrives, the buyer must separate the damaged bales and must make a claim against the seller within seven days (one week) of weighing or devanning, whichever is later, notwithstanding that the claim must be made within 42 days (six weeks) of arrival of the conveyance at the location or point of delivery stated on the bill of lading.

The parties must try to agree on an allowance. If they cannot do so, a Lloyd's Agent, or a qualified surveyor recognised by the insurance company shall be appointed to inspect the damaged cotton. The cost of the survey shall be for buyer's account in the first instance. If the survey confirms country damage, the seller's insurance shall be called upon to pay:

- the buyer, for the market value of country damaged cotton removed from the bales as set out in the surveyor's report, plus any reasonable charges incurred in the separation of the country damaged cotton; and

- the cost of the survey.
- c If a charge is made for collecting the insurance claim and the buyer pays it, the seller must refund the buyer. If the loss is not covered by seller's insurance the seller must pay.

Rule 208

The following conditions apply to contracts where the buyer is responsible for providing marine cargo insurance or transit insurance, and the seller is responsible for providing country damage insurance:

- a So that the buyer can arrange insurance, the seller must give the buyer the necessary details of each shipment.
- b If the cotton is country-damaged, the buyer must separate the damaged bales and must make a claim against the seller within seven days (one week) of weighing or devanning, whichever is later notwithstanding that the claim must be made within 42 days (six weeks) of arrival of the conveyance at the location or point of delivery stated on the bill of lading.

The parties must try to agree on an allowance. If they cannot do so, a Lloyd's Agent, or a qualified surveyor recognised by the insurance company shall be appointed to inspect the damaged cotton. The cost of the survey shall be for buyer's account in the first instance. If the survey confirms country damage and that the damage is greater than 1.0% (one per cent) of the total weight of the shipment, subject to a minimum claim of US\$ 500.00, the seller's insurance shall be called upon to pay:

- the buyer, for the market value of any country damaged cotton removed from the bales as set out in the surveyor's report, plus any reasonable charges incurred in the separation of the country damaged cotton; and
 - the cost of the survey.
- c If a charge is made for collecting the insurance claim and the buyer pays it, the seller must refund the buyer. If the loss is not covered by the seller's insurance the seller must pay.

Rule 209

- 1 The seller must refund the buyer any extra charge or premium which the buyer has to pay if:
- the buyer is responsible for marine insurance;
 - the seller is responsible for booking the freight;
 - the seller books the freight on a different ship from the one the buyer has asked for; and
 - the ship is subject to an additional premium under the terms of the Institute Classification clause of the Institute of London Underwriters or

another similar clause in force when the buyer learns the name of the ship.

- 2 The buyer must pay the seller any extra charge or premium if:
- the seller is responsible for marine insurance;
 - the buyer is responsible for booking the freight;
 - the buyer books the freight on a different ship from the one the seller has asked for; and
 - the ship is subject to an additional premium under the terms of the Institute Classification clause of the Institute of London Underwriters or another similar clause in force when the seller learns the name of the ship.

Invoicing and payment

Rule 210

When the shipment arrives, the payment must be made on arrival or within 49 days (seven weeks) of the date on the bill of lading or shipping documents, whichever is earlier.

Upon first presentation of the contracted shipping documents, the payment must be made within three working days unless otherwise agreed by the parties.

Rule 211

Claims that are made in accordance with the terms of the contract must be paid within 21 days (three weeks) of the claim date. If the party responsible for the payment does not do so, they will also have to pay interest on the final amount of the claim at a rate agreed by both parties. If the parties cannot agree, the claim amount and interest rate will be fixed by arbitration under our Bylaws.

Rule 212

Claims for clerical errors in invoices will be accepted if there is evidence to support.

Rule 213

The price of cotton set out in the contract will not include any Value Added Tax due, unless the contract says that it does.

Sales 'on call'

Rule 214

1 On buyer's call:

i For sales on call Intercontinental Exchange ('ICE') Cotton Contract No. 2 Futures:

- The final price of cotton sold on call will be fixed based on the ICE Cotton Contract No. 2 Futures contract month specified in the sales contract.
- The buyer should communicate to the seller an executable fixation instruction. The seller should communicate to the buyers in writing any filled fixation and the resultant fixed price.

Unless agreed otherwise by the parties:

- Cotton must be fixed no later than the ICE Cotton Contract No. 2 Futures on the day prior to first notice day for the futures contract month specified in the sales contract.
- If cotton has not been fixed by this time, the final price shall be based on the ICE Cotton Contract No. 2 Futures closing price on the day prior to first notice day of the futures contract month specified in the sales contract.

ii For sales on call with reference to products other than the ICE Cotton Contract No. 2 Futures Market:

- The final price of cotton sold on call will be fixed based on the quotation of the product specified in the sales contract.
- The buyer should communicate to the seller an executable fixation instruction. The seller should communicate to the buyers in writing any filled fixation and the resultant fixed price.

Unless agreed otherwise by the parties:

- Cotton must be fixed prior to the expiration of the product.
- If cotton has not been fixed prior to the expiration of the product then the fixation shall be based on the last published quotation of the product, or if no expiration date then on the date of shipment/delivery.

2 On seller's call, the roles of the buyer and seller are reversed.

Bale Tare and Weight

Rule 215

- 1 Unless the seller declares and guarantees otherwise, all cotton must be sold on actual tare.
- 2 The buyer can insist that the actual tare be established at the time of delivery. The actual tare must be measured within 28 days (four weeks) of the date of arrival of the cotton and must be carried out by the buyer under the supervision of the seller's representatives. This will then be the measurement of tare applied to the weight adjustment.
- 3 If the buyer insists that the tare be established after arrival and it proves to be not more than the allowance in the contract or invoice, the buyer will have to pay the costs of taring, otherwise, the seller must pay these costs.

Rule 216

- 1 To calculate actual tare, a minimum of 5% of the bales, subject to a minimum of five bales of each type of tare composed in any one lot or mark must be checked.
- 2 Actual tare is established by ascertaining the average weight of the wrapping, bands, ropes or wires from each type of the different tares comprising the lot or mark and multiplying the average weight of each type of tare by the total number of bales in the shipment.
- 3 Repaired bales must be tared separately.

Rule 217

All cotton must be weighed 'gross weight' on a bale by bale basis unless otherwise agreed. The tare is to be deducted from the gross weight.

Rule 218

- 1 **Gross Shipping Weights** – must be established by an independent weighing organisation or other organisation as determined in writing between the buyer and seller within 28 days (four weeks), or any other time period as agreed between buyer and seller, after sampling and before shipment.
- 2 **Gross Landing Weights** – all cotton must be weighed by the buyer (for buyer's cost), under the supervision of the seller's representatives (for seller's cost) at the agreed point of delivery or other location as determined by the buyer and seller, in any event within 28 days (four weeks) of the date of arrival of the cotton. If the cotton has already been sampled, a weight allowance must be made for the samples taken.
- 3 Both the buyer and the seller can appoint representatives at their own cost to supervise any weighing. The party arranging the weighing must advise the other party where and when it will take place, allowing a reasonable time to enable the representative to attend.

Rule 219

- 1 The weight of bales which are condemned, short-landed, burst, wrongly marked or not marked will be calculated according to the average gross weight of the landed bales, as long as at least 25% of the lot has been landed in good condition. If less than 25% is in good condition, the weight of these bales will be calculated according to the average invoice weight.
- 2 If the buyer accepts bales which are wrongly marked or not marked, those bales will be weighed, and the weights shown separately.
- 3 If the buyer does not weigh the total shipment within 28 days (four weeks) of the date of the arrival of the cotton, the unweighed bales will be calculated according to the average gross weight of the weighed bales, as long as at least 90% of the lot has been weighed. If less than 90% of the lot has been weighed, the weight of the unweighed bales will be calculated according to the average invoice weight.
- 4 If the shipment is by container and all the containers are loaded onto one ship, the 25% referred to in paragraph (1) of this Rule will apply to the total number of bales delivered.
- 5 If the shipment is by container and the containers are loaded onto more than one ship, the 25% referred to in paragraph (1) of this Rule will apply to the number of bales delivered in each ship.

Rule 220

When contracts are made for shipments or deliveries of specified quantities during various shipment/delivery periods, each shipment or delivery should fall within the allowed variation. Each month's shipment or delivery shall form one weight settlement, even if shipped or arriving by more than one conveyance.

Proof of any variation in weight, must be sent to the other party within 49 days (seven weeks) of the date of arrival of the cotton. Compensation for variation in weight will normally be based on the invoice price. But, if the variation is more than the amount allowed for in the contract, the buyer may then demand compensation for the market difference over that amount of variation, based on the market value of the cotton on the date of arrival of the cotton. If the contract does not specify an allowable variation, the variation allowed will be 3%.

Quality of the cotton delivered

Rule 221

Unless 'average' has been stated in the contract, when cotton is sold on the description of grade, the cotton must be equal to or better than contracted quality.

Rule 222

- 1 The buyer and seller can say in the contract what the grade, length, micronaire, strength and other fibre characteristics of the delivered cotton must be. The contract can also lay down what allowances, differences, limits and so on apply,

and, where applicable, what type of instruments must be used to establish the characteristics in the event of a dispute.

- 2 If the buyer and seller disagree about a claim, the dispute will be settled by arbitration under our Bylaws.

Sampling

Rule 223

- 1 Sampling must take place at the point of delivery or other location as determined between buyer and seller. The buyer's and seller's representatives must supervise the sampling. The seller must give the name of his representative to the buyer:
 - before sending the buyer an invoice; or
 - with the invoice.
- 2 Samples for arbitration must be drawn, sealed and marked in the presence of both the buyer and seller and/or their respective representatives.

Rule 224

- 1 A sample from a bale of cotton should weigh about 150 grams.
- 2 For manual classification claims and/or arbitration, American and Australian cotton must be sampled 100%. Unless otherwise agreed, other cottons need only be sampled on the basis of 10% representative samples from each lot or mark as defined on the seller's commercial invoice.
- 3 Samples may be drawn from part lots and/or shipments; however, a claim may only be made on the number of bales available at the time of sampling.
- 4 For instrument testing, claims and/or arbitrations may only be made on individual bales specified by the party applying for instrument testing.

For arbitration 100% of the bales claimed must be sampled.
- 5 In the event that a quality arbitration award is made, the cost of drawing, supervision of drawing and dispatch of samples shall be:
 - for the party whose final written offer for amicable settlement is furthest from the quality arbitration award; or
 - for the buyer if the quality award is less than the seller's final offer for amicable settlement; or
 - shared in equal proportions if neither party has made a written offer for amicable settlement.
- 6 If the buyer or seller believes that the cotton or cotton waste is false packed, mixed packed or in plated bales, every bale must be sampled, and samples must be drawn from each side of the bale.

Rule 225

The buyer must not sample the bales before weighing without the seller's permission.

Rule 226

If the seller takes a set of samples, he must pay for them at the contract price of the cotton.

Claims

False packed, mixed plated bales and bales containing foreign matter

Rule 227

- 1 The buyer must claim for false packed, mixed packed or plated bales within six months (26 weeks) of the date of arrival of the cotton. The bales must be set aside for inspection for 28 days (four weeks) after the claim is made and the inspection must be done by an agreed expert. If the seller tells the buyer within 14 days (two weeks) of the claim being proved that he intends to take back this cotton, he has the right to do so. If the buyer has already paid for the cotton, the seller must buy it back at the market value of good cotton on the date the claim is proved and repay the buyer his substantiated expenses.
- 2 If the seller does not take back the cotton, the claim must be settled based on the market value of good cotton on the date the claim is proved to the seller. The seller must also repay the buyer his substantiated expenses.
- 3 The buyer must claim for unmerchantable cotton within six months (26 weeks) of the date of arrival of the cotton. The bales must be set aside for inspection for a further 28 days (four weeks) after the claim is made and the inspection must be done by an agreed expert. The buyer will be able to claim reasonable and substantiated expenses from the seller for opening the bales and separating the merchantable from the unmerchantable cotton. The buyer can also claim the value of any unmerchantable cotton removed from the bales. The value must be based on the market value of the merchantable cotton on the date the claim is proved to the seller.
- 4 Foreign matter - the buyer must claim for foreign matter in the cotton within six months (26 weeks) of the date of arrival of the cotton. The bales must be set aside for inspection for 28 days (four weeks) after the claim is made and the inspection must be done by an agreed expert. The buyer will be able to claim reasonable substantiated expenses from the seller for removal of the foreign matter.

Rule 228

The buyer must give notice of any claim for country damage as detailed in Rule 207 or Rule 208 and the survey shall be completed within 14 days (two weeks) of the notice of the claim, or within 56 days (eight weeks) of the date of arrival of the cotton, whichever is earlier.

Rule 229

The following will apply when sampling bales to test for internal moisture:

- Samples of at least 250 grams must be taken from each bale to be sampled. These samples must be taken by the representative of the party who has asked for the test, and in the presence of a representative of the other party (if it appoints one). The samples must be taken at the time of weighing.
- Representative samples must be taken from 5% of the bales in each lot (at least three bales). These bales must be selected at random. Samples must be taken from at least two different parts of each bale from a depth of about 40 centimetres inside the bale. The samples must be placed at once in dry, hermetically-sealed containers and labelled to show the identity of the bale the samples have come from.
- The samples must be sent immediately to a testing laboratory mutually acceptable to both parties.

Rule 230

1 The buyer must:

- give notice of any claim for internal moisture within 42 days (six weeks); and
- produce a report from a mutually agreed laboratory and final claim within 63 days (nine weeks)

of the date of arrival of the cotton.

2 The allowance given to the buyer will be based on the laboratory's report. The allowance will be the difference between:

- the weight of the absolutely dry fibre in the lot plus the percentage of moisture regain set out in the contract; and
- the total weight of the lot.

This allowance will also be based on the invoice price.

Rule 231

The party claiming and asking for the moisture test will have to pay the cost of sampling and all related charges. If the claim is proved, sampling, courier and laboratory charges will be reimbursed by the other party.

Extending time limits

Rule 232

The Directors can extend any time limit stated in Rule 218, 220, 227, 228 or 230 but only if the firm concerned can show that substantial injustice would otherwise be done:

- because it could not reasonably have anticipated the delay; or
- because of the conduct of the other firm.

Applications must be made to us in writing. The Directors will take the other firm's comments into account before they make a decision.

Instrument testing

Rule 233

This Rule applies to all quality disputes regarding testing of cotton samples of any origin by instruments.

- 1 High Volume Instrument testing or classification shall be carried out in accordance with the approved practices and procedures listed in the latest version of the Universal Cotton Standards Agreement between the United States Department of Agriculture and the international signatories.
- 2 At least two tests shall be made on each sample. The average result of the tests shall be the test result.
- 3 If sealed samples have already been taken for manual arbitration in accordance with Rule 223, the same samples can be used for the tests, provided they have been resealed.
4. A first set of tests will be done in a laboratory agreed between the buyer and seller. If there is no agreement, the tests will be undertaken in a certified laboratory selected by the party applying for the test.
- 5 In the event the first test was undertaken in a certified laboratory it will be final, and no request for a second test will be allowed.
- 6 The laboratory which does the first test will issue a test report signed and/or stamped by its authorised personnel. The test report will show the results of the test. If testing is performed by a non-certified laboratory the samples will be resealed by the laboratory and retained for up to 35 days (five weeks) in case a second test by a certified laboratory is called for.
- 7 Subject to paragraph (5) above, either firm can request a second test within 21 days (three weeks) of the first results being dispatched. If no request is lodged, the information on the test report will be final.
- 8 Any request for a second test must apply to the total number of bales in the first test. A second test may only be undertaken in a certified laboratory agreed between the parties. In the event of no agreement, the claimant will indicate the

certified laboratory to be used. The tests will be made on samples of cotton drawn from the original resealed samples. The party applying for the second test shall pay for the resealed samples to be dispatched to the certified laboratory designated for the second test.

- 9 Test reports will be issued and signed and/or stamped by the laboratory's authorised personnel.
- 10 In the event the parties cannot reach agreement on the allowances to be applied, or the interpretation of the results, arbitrator(s) may be appointed by, or on behalf of, both parties.
- 11 A contract may say how much variation is acceptable in the fibre characteristics determined by the laboratory tests. Control limits should be stipulated in the contract.
- 12 For micronaire, unless the parties agree otherwise, the usual control limit of 0.3 will apply.
- 13 For strength, unless the parties agree otherwise, the usual control limit of 2.0 grams/tex or 3000 psi will apply.
- 14 Whichever party asks for the tests must pay the laboratory the whole cost. But, if the buyer pays, the seller must repay the cost of testing every bale which does not come within the control limit set out in the contract or, where the control limit is not stated in the contract, within the UCL specified in paragraph (12) and paragraph (13) above.

Micronaire and allowances

Rule 234

- 1 The Rules apply to all disputes relating to micronaire, including disputes relating to American cotton. Its terms are intended to be consistent with a micronaire agreement between us and the American Cotton Shippers Association, but if there is any conflict between the two, the terms of this Rule will take priority after the terms of the contract.
- 2 If the contract states 'micronaire' but does not say whether it should be the 'minimum' or 'maximum', it will be taken to mean 'minimum micronaire'. However, both parties can agree otherwise in writing before they send the samples for testing.
- 3 A contract may say how much variation is acceptable in the other fibre characteristics that can be determined by recognised laboratories.

Rule 235

- 1 In any dispute about micronaire, the procedure in Rule 233 will apply unless the parties agree otherwise.
- 2 Unless the buyer and seller agree otherwise:

For American cotton:

For contracts which set out a minimum micronaire value, the allowances for bales which do not reach this minimum will be as follows:

Micronaire value below the control limit by:	Percentage allowance
0.1	0.5
0.2	1.0
0.3	2.0
0.4	3.0
0.5	4.0
0.6	5.0

and so on by 1% for each 0.1 micronaire.

But if the contract sets out a minimum of 3.5 (3.5 NCL or 3.8 UCL) or higher:

- on cotton reading 2.9 to 2.6 inclusive, the percentage allowance will be increased to 3% for each 0.1 micronaire below 3.0; and
- on cotton reading 2.5 or below, the percentage allowance will be increased to 4% for each 0.1 micronaire below 2.6.

For contracts which set out a maximum micronaire value, the allowances for bales which go over this maximum will be as follows:

Micronaire value above the control limit by:	Percentage allowance
0.1	0.5
0.2	1.0
0.3	2.0
0.4	3.0
0.5	4.0
0.6	5.0

and so on by 1% for each 0.1 micronaire.

But if the contract specifies a maximum micronaire reading of 4.9 or lower:

- on cotton reading 5.6 or higher, the percentage allowance will be increased to 3% for each 0.1 micronaire above 5.6.

For non-American cotton:

For contracts which set out a minimum micronaire value, the allowances for bales which do not reach this minimum will be as follows:

Micronaire value below the control limit by:	Percentage allowance
0.1	0.5
0.2	1.0
0.3	2.0
0.4	3.0
0.5	4.0
0.6	5.0

and so on by 1% for each 0.1 micronaire.

But if the contract sets out a minimum of 3.5 (3.5 NCL or 3.8 UCL) or higher:

- on cotton reading 2.9 to 2.6 inclusive, the percentage allowance will be increased to 3% for each 0.1 micronaire below 3.0; and
- on cotton reading 2.5 or below, the percentage allowance will be increased to 4% for each 0.1 micronaire below 2.6.

For contracts which set out a maximum micronaire value, the allowances for bales which go over this maximum will be as follows:

Micronaire value above the control limit by:	Percentage allowance
0.1	0.5
0.2	1.0
0.3	2.0
0.4	3.0
0.5	4.0
0.6	5.0

and so on by 1% for each 0.1 micronaire.

But if the contract specifies a maximum micronaire reading of 4.9 or lower:

- on cotton reading 5.6 or higher, the percentage allowance will be increased to 3% for each 0.1 micronaire above 5.6.

Strength and Allowances

Rule 236

- 1 In any dispute about strength, the procedure in Rule 233 will apply unless the parties agree otherwise.
- 2 Unless the buyer and seller agree otherwise, for contracts which set out a minimum strength value, the allowances for bales which do not reach this minimum will be as follows:

HVI - grams/tex below the control limit by:	between	and	Percentage allowance
	1.1	2.0	1.0
	2.1	3.0	1.5
	3.1	4.0	3.0

Plus 4% for each gram/tex below 6

Pressley - psi below the control limit by:	between	and	Percentage allowance
	1050	3000	1.5
	3050	5000	3.0
	5050	7000	5.0
	7050	9000	8.0

Plus 4% for each 2000 psi below 9000

Closing contracts

Rule 237

- 1 If for any reason a contract or part of a contract has not been, or will not be, performed (whether due to a breach of the contract by either party or due to any other reason whatsoever) it will not be cancelled.
- 2 The contract or part of a contract shall in all instances be closed by being invoiced back to the seller in accordance with our Rules in force at the date of the contract.

Rule 238

Where a contract or part of a contract is to be closed by being invoiced back to the seller, then the following provisions will apply:

- 1 If the parties cannot agree upon the price at which the contract is to be invoiced back to the seller, then that price will be determined by arbitration, and if necessary, appeal.
- 2 The date of closure is the date when both parties knew, or should have known, that the contract would not be performed. In determining that date the arbitrators or appeal committee will take into account:
 - a the terms of the contract;
 - b the conduct of the parties;
 - c any written notice of closure; and
 - d any other matter which the arbitrators or appeal committee consider to be relevant.
- 3 In determining the invoicing back price, the arbitrators or Technical Appeal Committee shall have regard to the following:
 - a the date of closure of the contract as determined in paragraph (2) above;
 - b the terms of the contract; and
 - c the available market price of the cotton which is the subject of the contract, or such like quality, on the date of closure.
- 4 The settlement payable on an invoicing back will be limited to the difference (if any) between the contract price and the available market price at the date of closure.
- 5 Any settlement due and payable on an invoicing back of a contract closed in accordance with Rules 237 and 238 will be calculated and shall be paid regardless of whether the party receiving or making the payment is considered to be responsible for the non-performance and/or breach of the contract.

Other claims and losses

- 6 Any other losses or claims expressly agreed between the parties as recoverable will not be included in an invoicing back price. Such losses or claims should be settled by amicable settlement, or claimed at arbitration or appeal.

Rule 239

Claims for consequential damages will not be allowed.

Rule 240

- 1 The arbitrators will set the invoicing back weight if:
 - the seller has not provided an invoice; or
 - no actual weights are available; or
 - the parties cannot agree the weight.
- 2 For the purpose of determining the invoicing back weight, when part of the contract has already been fulfilled, weight tolerances will not apply to the balance.

- 1 Shipment: Cotton may be shipped by water and/or intermodal transportation at the option of the party responsible for freight booking. All charges imposed by the carrier, whether included in the freight rate, shown as separate item(s) in the bill of lading, or billed separately, are for the account of the party responsible for the freight booking. However if the seller elects to use a CFS facility, then the difference between CFS and CY charges at such location shall be for seller's account.
- 2 Providing containers and transport: The party responsible for freight booking is obliged to provide containers in time for transport and loading within contracted shipping month at the port(s) or point of origin stated in the contract.
- 3 Date of shipment: In case of intermodal transportation, the date of the intermodal bill of lading shall constitute the date of shipment.

 - ii origin West Coast: about 83 bales per forty-foot container;Containers other than forty-footers may be substituted for 'house to pier' or 'pier to pier' shipments only.
- 6 Loading and unloading: It shall be seller's choice to load at 'house/CY' or 'pier/CFS', and buyer's choice to unload at 'house/CY' or 'pier/CFS'. However, seller shall 'ship to pier', unless specifically instructed by buyer to 'ship to house'.
- 7 Weighing: Unless otherwise agreed, 'pier to house' and 'house to house' shipment shall be understood to mean 'net certified shipping weights final'.

ARBITRATION BYLAWS

Bylaws are the mandatory provisions of this Association which cannot be changed or varied by the parties.

Any dispute arising out of, or in connection with, a contract which incorporates and provides for arbitration under these Bylaws shall be referred to arbitration. Arbitrators, an umpire, a technical appeal committee or a quality appeal committee (as the case may be) will determine all matters placed before them in accordance with the following Bylaws.

Introduction

Bylaw 300

- 1 We will conduct arbitration in one of two ways:
 - Quality arbitrations will deal with disputes arising from the manual examination of the quality of cotton and/or the quality characteristics which can only be determined by instrument testing. Bylaws especially applicable to quality arbitrations and appeals are set out herein.
 - Technical arbitrations will deal with all other disputes. Bylaws especially applicable to technical arbitrations and appeals are set out herein.
- 2 The law of England and Wales and the mandatory provisions of the Arbitration Act 1996 (the Act) shall apply to every arbitration and/or appeal under these Bylaws. The non-mandatory provisions of the Act shall apply save insofar as such provisions are modified by, or are inconsistent with, these Bylaws.
- 3 The seat of our arbitrations is in England. No one can decide or agree otherwise.
- 4 Disputes shall be settled according to the law of England and Wales wherever the domicile, residence or place of business of the parties to the contract may be
- 5 If parties have agreed to arbitration under our Bylaws, then, subject to paragraph (6) below, they must not use any court at all unless we have no further power to do what is required, or the Act allows, in which case they must apply to the courts in England or Wales.
- 6 A party can apply to a court anywhere to obtain security for its claim while arbitration or an appeal is taking place.
- 7 If a party is prevented from proceeding with an arbitration as a result of the application of the provisions of Bylaw 302 (3) or Bylaw 328 (1), it is free to apply to any court which is willing to accept jurisdiction.

Notices

Bylaw 301

- 1 Notices, documents and any other form of communication may be served by being:
 - addressed to the last known principal place of business or registered office of a party; and
 - sent, pre-paid by post or any recognised international courier.
- 2 If we consider that a communication, if sent by post, would be unlikely to be received within less than seven days (one week), it shall be sent by a recognised international courier.
- 3 Notices, documents and any other form of communication may also be sent by fax or e-mail, in which case evidence of delivery or receipt should be obtained.
- 4 If something is to be given or paid to us by a set date or within a period, it must arrive on or before 23.59 on the last day it is due. If it is something that is delivered to us by hand, this must be done during our office hours. If money is paid by cheque or something similar and the bank refuse to pay us the amount due, we will consider that it was not paid on the date it was received by us.
- 5 If we give notice that something must be done within a set period, the period begins the day when it is deemed that the relevant notice has been received. The days allowed will run continuously.
- 6 For the purposes of the Bylaws relating to technical arbitration, and subject always to paragraph (7) below, all notices, documents and any other form of communication shall be deemed to have been received:
 - if sent by first class prepaid post from and to an address within the United Kingdom, within two working days; and
 - if sent by prepaid post from and/or to an address outside the United Kingdom, within 10 calendar days.
- 7 If a communication falls within the terms of paragraph (2) above, it shall not be deemed to be validly served unless sent by a recognised international courier, in which event it shall be served when delivered by such courier as evidenced by the delivery confirmation produced by such courier.

Technical Arbitrations

Commencement of Arbitration

Bylaw 302

- 1 Any party wishing to commence arbitration under these Bylaws (“the claimant”) shall send us a written request for arbitration (“the request”), and we shall copy the Request to the other party (“the respondent”).
- 2 When sending the request, the claimant shall also send:
 - the name, address including email address, telephone and facsimile number of the respondent,
 - a) a copy of the contract signed by both parties; or
 - b) a copy of the arbitration agreement signed by both parties if not included in the contract; or
 - c) a copy of the contract with any additional supporting evidence,
 - the name of their nominated arbitrator, or, if appropriate, the name of the sole arbitrator agreed by the parties, and
 - such application fee as may be due under Appendix C of the Rule Book.
- 3 We may refuse arbitration facilities where one of the parties to the dispute has been suspended from the Association or expelled. Arbitration will also be refused where either the name of one of the parties appeared on the Association’s List of Unfulfilled Awards at the time that the contract under dispute was entered into, or the penalty of denial of arbitration services has been imposed on one of the parties pursuant to Article 27 or Bylaw 418.

The Tribunal

Bylaw 303

Disputes which fall to be determined under these Bylaws shall be heard by a tribunal of three arbitrators or, if both parties agree, by a sole arbitrator who, for the purposes of these Bylaws, shall be deemed to be Chairman. Each party shall appoint one arbitrator and we shall appoint the third arbitrator who shall serve as Chairman of the tribunal. The tribunal shall ensure that the parties are treated with impartiality and equality and that each party has the right to be heard and is given a fair opportunity to present its case as directed within the Chairman’s directions. The tribunal shall conduct the proceedings with a view to expediting the resolution of the dispute

Appointment of Arbitrators

Bylaw 304

- 1 Upon receipt of a Request made in accordance with Bylaw 302, we shall ask the respondent to appoint their arbitrator or to agree to the appointment of a sole arbitrator within 14 days (two weeks) and to notify us and the claimant of the

name of their arbitrator. If the respondent fails to appoint an arbitrator within this timescale, we will appoint an arbitrator and give notice of the name of the arbitrator so appointed to the parties.

- 2 We shall appoint the third arbitrator who shall serve as Chairman of the tribunal within seven days (one week) of the appointment of the second arbitrator, whether appointed by us or the respondent.
- 3 Arbitrators must be Individual Members of our Association when they are appointed. Arbitrators must additionally be qualified to the standards set by the Directors from time to time before they may accept such appointments.
- 4 If a vacancy arises because any arbitrator dies, resigns, refuses to act, ceases to hold the requisite qualifications or becomes incapable of performing his functions, the vacancy shall be filled by the method set out in paragraph (1) above.
- 5 By accepting appointment (whether by a party or by us) an arbitrator binds himself to the Association to act in accordance with the Bylaws.
- 6 If either firm:
 - fails to nominate an arbitrator within 14 days (two weeks) of being requested to do so; or
 - fails to agree on a replacement arbitrator within 14 days (two weeks) of a substantiated and valid objection to a nomination,the other firm can ask the President of the Association to make an appointment on behalf of the firm that has failed to nominate an arbitrator, or failed to agree on a replacement arbitrator within the time allowed.
- 7 The Association will give notice of the President's intention. If the firm in default does not nominate an arbitrator acceptable to the other firm within 14 days (two weeks) of that notice being given, the President may act.
- 8 If either firm objects to an arbitrator or any member of a tribunal, it must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result.
- 9 If an objection is not acted on and not withdrawn, the President must be asked to decide whether it is to be valid.
- 10 If new evidence comes to light after the normal time limits for raising an objection have expired, an objection may still be raised. The President will decide whether it will be heard and whether it is valid.
- 11 If a firm disagrees with the President's intention or decision it can appeal to the Directors but it must do so within 14 days (two weeks) of notice having been given of the Presidents' decision. The Directors can use any of the powers given to the President at paragraph (6) and paragraph (7) above.

- 12 If the President should have a possible conflict of interest, he will not appoint arbitrators under these Bylaws. In that situation, the Vice-President or an acting President, will have the same powers of appointment as the President.

Revoking the authority of an arbitrator or appeal committee member

Bylaw 305

- 1 Once an arbitrator or appeal committee member has been appointed, his authority cannot be revoked by either firm unless both firms agree.
- 2 If an arbitrator or appeal committee member ceases to be a Member of the International Cotton Association, he cannot continue to act in whatever capacity he was appointed unless the Directors agree.
- 3 The President may revoke an appointment and appoint an alternative:
if substantial injustice will be caused by him not doing so; or
if requested to do so by either firm in the following circumstances:
 - if he upholds an objection under Bylaw 304;
 - if an appointed arbitrator dies, refuses or becomes unable to act;
 - if a sole arbitrator does not make an award within 56 days (eight weeks) of having received the final written submissions from the parties; or
 - if the tribunal do not make an award within 56 days (eight weeks) of having received the final written submissions from the parties.
- 4 The Association will give notice of the President's intention. If a firm disagrees with the President, it can appeal to the Directors but it must give its reasons in writing within 14 days (two weeks) of notice having been given. The Directors can use any of the powers given to the President.
- 5 The timeframes indicated in paragraph (3) above shall not be construed so as to undermine or overrule the arbitrators' duty under the Act to allow each party reasonable opportunity to reply to any query or order from the tribunal subsequent to the closure of final written submissions.

Jurisdiction

Bylaw 306

Without prejudice to the provisions of the Act relating to jurisdiction, the tribunal may rule on its own jurisdiction, that is, as to whether there is a valid arbitration agreement, whether the tribunal is properly constituted and what matters have been submitted to arbitration in accordance with the arbitration agreement.

Conduct of the arbitration

Bylaw 307

- 1 It shall be for the Chairman, having consulted his fellow arbitrators:
 - to determine whether the Tribunal has jurisdiction; and
 - to decide all procedural and evidential matters,subject to the right of the parties to agree any matter.
- 2 The Chairman shall ensure the prompt progress of the arbitration, where appropriate by the making of Orders.
- 3 As soon as the Chairman has issued directions and determined a timetable for proceedings, we shall notify the parties.
- 4 The parties have a duty to do all things necessary for the proper and expeditious conduct of the proceedings, including complying without delay with any order or direction of the tribunal as to procedural and evidential matters.

All communications between either party and the tribunal shall be simultaneously copied to the other party.
- 5 If either party fails to comply with any procedural order of the tribunal, the tribunal shall have power to proceed with the arbitration and make an Award.
- 6 Decisions, Orders and Awards shall be made by all or a majority of the arbitrators, including the Chairman. The view of the Chairman shall prevail in relation to a decision, order or Award in respect of which there is neither unanimity nor a majority.
- 7 All statements, contracts and documentary evidence must be submitted in the English language. Whenever documentary evidence is submitted in a foreign language, unless otherwise directed by the tribunal, this must be accompanied by an officially certified English translation.
- 8 We will not accept submissions directly from legal firms or independent lawyers.

Oral hearings

Bylaw 308

- 1 Where either party or both parties request an oral hearing, they shall apply in writing to the tribunal. The tribunal may grant or decline the request without giving reasons. Their decision shall be final. If a request is granted, the Chairman, having consulted his fellow arbitrators, shall decide the date, time and place of the hearing and the procedure to be adopted at the hearing.
- 2 The Chairman, having consulted his fellow arbitrators, may, in advance of the hearing, give detailed directions with any appropriate timetable for all further procedural steps in the arbitration, including (but not limited to) the following:

- written submissions to be advanced by or on behalf of any party,
 - examination of witnesses,
 - disclosure of documents.
- 3 The Chairman may impose time limits on the length of oral submissions and the examination or cross-examination of witnesses.
 - 4 Parties may be represented by one of their employees, or by an Individual Member of the Association, but they may not be represented by a solicitor or barrister, or other legally qualified advocate. Parties may be accompanied by a legal representative at any oral hearing. Such legal representative may advise the party but may not address the tribunal.

Technical Arbitration Awards

Bylaw 309

- 1 An Award shall be in writing on our official form dated and signed by all members of the tribunal or the sole arbitrator as applicable and shall contain sufficient reasons to show why the tribunal has reached the decisions contained in it, unless the parties agree otherwise or the Award is by consent.
- 2 Any Award shall state that the seat of the arbitration is in England and the date by which we must receive notice of appeal.
- 3 All Awards made under our Bylaws will be treated as having been made in England, regardless of where matters were decided, or where the Award was signed, despatched or delivered to the firms in dispute.
- 4 We will stamp every Award in our offices on the date of the Award, and apply the scale of fees laid down in Appendix C of the Rule Book.
- 5 An Award will only become effective and binding when we stamp it.
- 6 After we stamp an Award, we will notify all of the parties concerned.
- 7 The Award will only be released upon payment of the stamping fee and any outstanding fees, costs and expenses.
- 8 The Award must be honoured within 28 days (four weeks) from notification to all of the parties under paragraph (6) above.
- 9 The Association will keep a copy of every Award.

Interest on Awards

Bylaw 310

The tribunal and technical appeal committee can award simple or compound interest from such dates and at such rates as they consider meets the justice of the case.

Technical Appeals

Bylaw 311

- 1 If either party disagrees with the tribunal's Award, it can appeal to us within the period specified in the Award. It must send Notice of Appeal to us.
- 2 Upon receipt of the Notice of Appeal we may demand that sums of money be deposited with us by the appellant, by way of deposit against any fees, costs or expenses in connection with or arising out of the Appeal. The appellant must also deposit any costs or stamping fees that the tribunal's Award ordered them to pay. Failure to pay within the specified period will result in the Appeal being dismissed.
- 3 The Directors, or appeal committee if appointed, can extend the time limits in paragraph (2) above, but only if the firm concerned can show that substantial injustice would otherwise be done and the request for an extension is reasonable in all the circumstances. Any request for an extension should be made in writing and should outline the reasons why substantial injustice may occur if an application is refused.

Technical Appeal Committee

Bylaw 312

- 1 As soon as the appellant has served its case for appeal and the respondent has served a response, the Directors shall appoint a Technical Appeal Committee ('appeal committee').
- 2 A Director cannot be involved in any decision about an appeal or be on an Appeal Committee if he has acted as an arbitrator in the dispute or if substantial injustice could result.
- 3 An Individual Member cannot be on an appeal committee if he has acted as an arbitrator in the dispute, or substantial injustice could result.
- 4 An appeal committee will consist of a Chairman (who must be a Director or ex-director when appointed), and four other people, who must be Individual Members when they are appointed. All appeal committee members must additionally be qualified to the standards as set by the Directors from time to time.
- 5 A member of an appeal committee may only attend and vote at committee meetings if he has been present at all previous meetings.
- 6 At any meeting of an appeal committee, a quorum must comprise the Chairman and three, or at the Chairman's discretion, two members. In the event that there is no quorum, the Directors will appoint a new appeal committee. However, the provisions of this paragraph may be varied by the Directors if both parties agree in writing.
- 7 If the Directors appoint an appeal committee, either party can object to the Chairman or any member of the committee but must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the reasons for objection. An objection

to an appointment will only be valid if the President decides that substantial injustice could result.

- 8 If the Directors uphold an objection, they shall immediately nominate a substitute.
- 9 An appeal involves a new hearing of the dispute and the appeal committee can allow new evidence to be put forward. It may confirm, vary, amend or set aside the award of the first tribunal and make a new award covering all of the matters in dispute.
- 10 The appeal committee will decide the issues by a simple majority vote. Every member, including the Chairman will have one vote. If both sides have the same number of votes, the Chairman will vote again to decide the issue.

Appeal timetable

Bylaw 313

- 1 The appellant must submit its Notice of Appeal to us within the time specified in the Award. The appellant must then submit its case for appeal within 28 days (four weeks) of the Association receiving its Notice of Appeal.
- 2 If the respondent intends to comment, it should do so within 28 days (four weeks) of receiving a copy of the appellant's case.
- 3 If the respondent replies, the appellant is allowed to make further comment, but must do so within 14 days (two weeks) of receiving a copy of the respondent's reply.
- 4 The respondent is allowed to make final comment, but must do so within 14 days (two weeks) of receiving a copy of the appellant's further comment.
- 5 The Directors, or appeal committee if appointed, can extend these time limits, but only if the firm concerned can show that substantial injustice would otherwise be done and the request for an extension is reasonable in all the circumstances. Any request for an extension should be made in writing and should outline the reasons why substantial injustice may occur if an application is refused.
- 6 Unless there are exceptional reasons, applications for extensions must be made at least seven days (one week) before time limits expire.
- 7 Further submissions may only be allowed if both parties agree, or the appeal committee decides that substantial injustice will be caused by rejecting them; then
 - the appellant is allowed to make further comment, but must do so within 14 days (two weeks) of receiving a copy of the respondent's further comments; and
 - the respondent is allowed to make final comment, but must do so within 14 days (two weeks) of receiving a copy of the appellant's further comments.

- 8 Unless circumstances otherwise dictate, the Association shall arrange for the appeal to be heard no later than 28 days (four weeks) after final submissions have been received by the appeal committee.
- 9 Either party may nominate, in writing, a representative, who must be an Individual Member, to act on their behalf in any matter concerned with an appeal. We will then communicate with them and no-one else.
- 10 All appeal material must be submitted to us by:
 - the firms in dispute; or
 - our Individual Members acting as appointed representatives.
- 11 We will not accept submissions directly from legal firms or independent lawyers.

Small Claims Technical Arbitrations **(for disputes with a value at, or less than, US\$ 25,000)**

Bylaw 314

- 1 Disputes which fall to be determined under these Bylaws shall be restricted to all disputes related to a total value not exceeding US\$ 25,000 (twenty five thousand United States Dollars) but excluding those disputes for any contract that has not been, or will not be performed, and is to be closed by being invoiced back to the seller under our Rules in force at the date of the contract.
- 2 A sole arbitrator agreed between the parties shall hear such disputes. If the parties fail to agree the President will appoint the sole arbitrator. The sole arbitrator shall ensure that the parties are treated with equality and that each party is given a fair opportunity to present its case. The sole arbitrator shall conduct the proceedings with a view to expediting the resolution of the dispute. All communications between either party and the sole arbitrator shall be simultaneously copied to the other party.
- 3 If upon receipt of the submissions from both parties the sole arbitrator considers that the matter is not within the remit of the small claims procedure or the matter is too complex for a sole arbitrator to consider, he will advise the parties of this and they will have the right to proceed to a full tribunal hearing to resolve the dispute.

The previously appointed sole arbitrator will act as the tribunal Chairman unless either party objects. Any objection must be made in writing within seven days (one week) of notice being given of the relevant appointment and accompanied by the reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result. Each party will appoint their own arbitrator within 14 days (two weeks) of being requested to do so by us. If either party fails to appoint an arbitrator within the stated period, the President will appoint an arbitrator and give notice of the appointment to the parties.

Commencement of Arbitration

Bylaw 315

- 1 Any party wishing to commence arbitration under these Bylaws (“the claimant”), who must be a Member Firm of the Association at the time of commencement of arbitration, shall send us a written request for arbitration (“the request”), and we shall copy the Request to the other party (“the respondent”).
- 2 When sending the request, the claimant shall also send:
 - the name, address including email address, telephone and facsimile number of the respondent,
 - a) a copy of the contract signed by both parties; or

- b) a copy of the arbitration agreement signed by both parties if not included in the contract; or
 - c) a copy of the contract and any supporting evidence,
- details of the claim value which must be no more than US\$ 25,000,
 - the name of the sole arbitrator, if already agreed by the parties and
 - such application fee as may be due under Appendix C of the Rule Book.
- 3 We may refuse arbitration facilities where one of the parties to the dispute has been suspended from the Association or expelled. Arbitration will be refused where either the name of one of the parties appeared on the Association's List of Unfulfilled Awards at the time that the contract under dispute was entered into, or the penalty of denial of arbitration services has been imposed on one of the parties pursuant to Article 27 or Bylaw 418.

Appointment of a sole arbitrator

Bylaw 316

- 1 Upon receipt of a Request made in accordance with Bylaw 315, we shall ask the respondent to confirm their agreement to the nominated sole arbitrator within seven days (one week).
- 2 The sole arbitrator must be an Individual Member of our Association when appointed. The arbitrator must additionally be qualified to the standards set by the Directors from time to time before he may accept such an appointment.
- 3 If the sole arbitrator dies, resigns, refuses to act, ceases to hold the requisite qualifications or becomes incapable of performing his functions, a replacement sole arbitrator will be agreed between the parties or failing agreement, the President will appoint a replacement.
- 4 By accepting appointment (whether by the parties or by us) a sole arbitrator binds himself to the Association to act in accordance with the Bylaws.
- 5 If either party raises an objection to a nominated sole arbitrator, it must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result. If the objection is upheld, the President shall appoint a replacement sole arbitrator.
- 6 If new evidence comes to light after the normal time limits for raising an objection have expired, an objection may still be raised. The President will decide whether it will be heard and whether it is valid.
- 7 If a party disagrees with the President's intention or decision it can appeal to the Directors but it must do so within 14 days (two weeks) of notice having been

given of the Presidents' decision. The Directors can use any of the powers given to the President at paragraph (5) and paragraph (6) above.

- 8 If the President should have a possible conflict of interest, he will not appoint the sole arbitrator under these Bylaws. In that situation, the Vice-President or an acting President will have the same powers of appointment as the President.

Revoking the authority of a sole arbitrator

Bylaw 317

- 1 Once a sole arbitrator has been appointed, his authority cannot be revoked by either party unless both parties agree.
- 2 If a sole arbitrator ceases to be a Member of the International Cotton Association, he cannot continue to act in whatever capacity he was appointed unless the Directors agree.
- 3 The President may revoke an appointment and appoint an alternative:

if substantial injustice will be caused by him not doing so; or

if requested to do so by either party in the following circumstances:
 - if he upholds an objection under Bylaw 315;
 - if an appointed arbitrator dies, refuses or becomes unable to act;
 - if a sole arbitrator does not make an award within 56 days (eight weeks) of having received the final written submissions from the parties.
- 4 If, upon appointment as the tribunal Chairman, the sole arbitrator declines to act, he must give notice in writing and the President will appoint a replacement within seven days (one week) of notice having been given.
- 5 The Association will give notice of the President's intention. If a party disagrees with the President, it can appeal to the Directors but it must give its reasons in writing within 14 days (two weeks) of notice having been given. The Directors can use any of the powers given to the President.
- 6 The timeframes indicated in paragraph (3) above shall not be construed so as to undermine or overrule the arbitrators' duty under the Act but to allow each party reasonable opportunity to reply to any query or order from the sole arbitrator subsequent to the closure of final written submissions.

Association's fees and deposits on account of Small Claims Technical Arbitration fees

Bylaw 318

- 1 Sole arbitrators shall be entitled to charge fees which shall be fixed by reference to the total amount of time reasonably devoted to the arbitration and shall be in accordance with the fees laid down in Appendix C of the Rule Book.
- 2 Where the sole arbitrator finds it necessary to obtain legal advice on any matter arising from an arbitration, reasonable legal fees thereby incurred will be payable by the parties, as specified in the Award.
- 3 When an Award is presented for stamping in accordance with Bylaw 321, the sole arbitrator shall invoice us:
 - For all fees, clearly stating their applicable hourly rate. The sole arbitrator is required to submit a "Work Report" with a brief description of each activity undertaken and the time spent on each activity.
 - For all claimed expenses, where applicable, which shall be submitted to us in the form of an "Expenses Report".
- 4 The Work Report, and Expenses Report if applicable, shall be forwarded to both parties by the Secretariat within 14 days (two weeks) of the award being released.
- 5 The payment of fees and expenses to the sole arbitrator is conditional upon the Association's receipt of the Work Report and Expenses Report if applicable.
- 6 Subject to the foregoing, the sole arbitrator shall be entitled to prompt payment of fees and expenses following release of the Award. If, following a review under Bylaw 357 the Directors determine that any fees or expenses are unreasonable, the sole arbitrator shall act in accordance with the decision of the Directors.

Jurisdiction

Bylaw 319

Without prejudice to the provisions of the Act relating to jurisdiction, the sole arbitrator may rule on his jurisdiction, that is, as to whether there is a valid arbitration agreement and what matters have been submitted to arbitration in accordance with the arbitration agreement.

Conduct of the Small Claims Technical Arbitration

Bylaw 320

- 1 The conduct of the small claims arbitration will be based on documentary evidence only.
- 2 It shall be for the sole arbitrator;

- to determine whether he has jurisdiction; and
- to decide all procedural and evidential matters,

subject to the right of the parties to agree any matter.

- 3 The sole arbitrator shall ensure the prompt progress of the arbitration, where appropriate by the making of Orders.
- 4 As soon as the sole arbitrator has determined a timetable for proceedings, we shall notify the parties.
- 5 The parties have a duty to do all things necessary for the proper and expeditious conduct of the proceedings, including complying without delay with any order or direction of the sole arbitrator as to procedural and evidential matters.
- 6 If either party fails to comply with any procedural order of the sole arbitrator, the arbitrator shall have power to proceed with the arbitration and make an Award.
- 7 All statements, contracts and documentary evidence must be submitted in the English language. Whenever documentary evidence is submitted in a foreign language, unless otherwise directed by the sole arbitrator, this must be accompanied by an officially certified English translation.
- 8 We will not accept submissions directly from legal firms or independent lawyers.

Small Claims Technical Arbitration Awards

Bylaw 321

- 1 An Award shall be in writing, dated and signed by the sole arbitrator and shall contain sufficient reasons to show why he has reached the decisions contained in it, unless the parties agree otherwise or the Award is by consent.
- 2 Any Award shall state that the seat of the arbitration is in England and the date by which we must receive notice of appeal.
- 3 All Awards made under our Bylaws will be treated as having been made in England, regardless of where matters were decided, or where the Award was signed, despatched or delivered to the firms in dispute.
- 4 We will stamp every Award in our offices on the date of the Award, and apply the scale of fees laid down in Appendix C of the Rule Book.
- 5 An Award will only become effective and binding when we stamp it.
- 6 After we stamp an Award, we will notify all of the parties concerned.
- 7 The Award will only be released upon payment of the stamping fee and any outstanding fees, costs and expenses.

- 8 The Award must be honoured within 28 days (four weeks) from notification to all of the parties under paragraph (6) above.
- 9 The Association will keep a copy of every Award.

Interest on Awards

Bylaw 322

A sole arbitrator or small claims appeal committee can award simple or compound interest from such dates and at such rates as he or they consider appropriate.

Costs

Bylaw 323

The general principle is that costs follow the event, but subject to the overriding discretion of the sole arbitrator and small claims appeal committee as to which party will bear what proportion of the costs of the arbitration or appeal. In the exercise of that discretion the sole arbitrator or small claims appeal committee shall have regard to all the material circumstances.

Small Claims Technical Appeals

Bylaw 324

- 1 If either party disagrees with the sole arbitrator's Award, it can appeal to us within the period specified in the Award. It must send Notice of Appeal to us.
- 2 Upon receipt of the Notice of Appeal we may demand that sums of money be deposited with us by the appellant, by way of deposit against any fees, costs or expenses in connection with or arising out of the Appeal. The appellant must also deposit any costs or stamping fees that the Tribunal's Award ordered them to pay. Failure to pay within the specified period will result in the Appeal being dismissed.
- 3 The Directors, or appeal committee if appointed, can extend the time limits in paragraph (2) above, but only if the firm concerned can show that substantial injustice would otherwise be done and the request for an extension is reasonable in all the circumstances. Any request for an extension should be made in writing and should outline the reasons why substantial injustice may occur if an application is refused.

Small Claims Technical Appeal Committee

Bylaw 325

- 1 As soon as the appellant has served its case for appeal and the respondent has served a response, the Directors shall appoint a Small Claims Technical Appeal Committee ('appeal committee').

- 2 A Director cannot be involved in any decision about an appeal or be on an appeal committee if he has acted as the arbitrator in the dispute or if substantial injustice could result.
- 3 An Individual Member cannot be on an appeal committee if he has acted as the arbitrator in the dispute, or substantial injustice could result.
- 4 An appeal committee will consist of a Chairman (who must be a Director or ex-director when appointed), and two other people, who must be Individual Members when they are appointed. All appeal committee members must additionally be qualified to the standards as set by the Directors from time to time.
- 5 At any meeting of an appeal committee, the Chairman and both members must be present. In the event a member of the committee cannot continue to act, the Directors will appoint a new appeal committee member. However, the provisions of this paragraph and paragraph (4) above may be varied by the Directors if both parties agree in writing.
- 6 If the Directors appoint an appeal committee, either party can object to the Chairman or any member of the committee but must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result.
- 7 If the Directors uphold an objection, they shall immediately nominate a substitute.
- 8 An appeal involves a new hearing of the dispute and the appeal committee can allow new evidence to be put forward. It may confirm, vary, amend or set aside the award of the sole arbitrator and make a new award covering all of the matters in dispute.
- 9 The appeal committee will decide the issues by a simple majority vote. Every member, including the Chairman will have one vote.

Appeal timetable

Bylaw 326

- 1 The appellant must submit its Notice of Appeal to us within the time specified in the Award. The appellant must then submit its case for appeal within 28 days (four weeks) of the Association receiving its Notice of Appeal.
- 2 If the respondent intends to comment, it should do so within 28 days (four weeks) of receiving a copy of the appellant's case.
- 3 If the respondent replies, the appellant is allowed to make further comment, but must do so within 14 days (two weeks) of receiving a copy of the respondent's reply.

- 4 The respondent is allowed to make final comment, but must do so within 14 days (two weeks) of receiving a copy of the appellant's further comment.
- 5 The Directors, or appeal committee if appointed, can extend these time limits, but only if the firm concerned can show that substantial injustice would otherwise be done and the request for an extension is reasonable in all the circumstances. Any request for an extension should be made in writing and should outline the reasons why substantial injustice may occur if an application is refused.
- 6 Unless there are exceptional reasons, applications for extensions must be made at least seven days (one week) before time limits expire.
- 7 Further submissions may only be allowed if both parties agree, or the appeal committee decides that substantial injustice will be caused by rejecting them; then
 - The appellant is allowed to make further comment, but must do so within 14 days (two weeks) of receiving a copy of the respondent's further comments.
 - The respondent is allowed to make final comment, but must do so within 14 days (two weeks) of receiving a copy of the appellant's further comments.
- 8 Unless circumstances otherwise dictate, the Association shall arrange for the appeal to be heard no later than 28 days (four weeks) after final submissions have been received by the appeal committee.
- 9 Either party may nominate, in writing, a representative, who must be an Individual Member, to act on their behalf in any matter concerned with an appeal. We will then communicate with them and no-one else.
- 10 All appeal material must be submitted to us by:
 - the firms in dispute; or
 - our Individual Members acting as appointed representatives.
- 11 We will not accept submissions directly from legal firms or independent lawyers

Quality Arbitrations

Commencing arbitration

Bylaw 327

If an application is required, it must be accepted by us before arbitration can commence. If that is done or if an application is not required, arbitration will commence when one firm tells the other in writing that it intends to go to arbitration and:

- asks the other firm to agree to use a sole arbitrator and suggests the name of an arbitrator; or
- names his arbitrator and asks the other firm to do the same.

Bylaw 328

1 If firms agree to quality arbitration under our Bylaws, our Individual Members can arbitrate and hear appeals. We will assist with the arbitral process. This applies to both registered and non-registered firms subject to the following:

- Non-registered firms must apply for arbitration. We can refuse to accept such applications. The applicant has a right of appeal to the Directors. Their decision is final.
- If a firm was not registered on the date of the contract giving rise to the dispute, an application fee may be due. Details are set out in Appendix C.
- If, on the day before the date of the contract giving rise to the dispute, either party has its name circulated on the ICA List of Unfulfilled Awards in accordance with Bylaw 365, application for arbitration must be made to the Association. If the applicant is a non-registered firm, we will refuse to accept such applications. The applicant has a right of appeal to the Directors. Their decision is final.
- A registered firm of the Association which has entered into a contract with a party whose name, on the day before the date of the contract, appeared on the ICA List of Unfulfilled Awards will be subject to the provisions of Bylaw 418, or, if applicable, the provisions and procedures laid down in the Association's Articles.
- If a firm has been suspended or expelled, or has been refused re-registration, we will not accept an application for arbitration from it.

2 If an application for arbitration is required under this Bylaw, no Individual Member can act as an arbitrator until informed that the application has been accepted and any fee due has been paid.

Appointment of arbitrators

Bylaw 329

1 Quality arbitration will be conducted by two arbitrators unless the firms in dispute agree that one arbitrator is sufficient.

- 2 If two arbitrators are appointed and they cannot agree, an umpire will make a decision.
- 3 Arbitrators and umpires must be Individual Members of our Association when they are appointed.
- 4 Either firm can ask the President of the Association to appoint an arbitrator on its behalf.

Bylaw 330

- 1 If one firm commences arbitration in line with Bylaw 327 and asks the other firm to agree to a sole arbitrator, then within 14 days (two weeks) the other firm must:

either
 - accept the name of the suggested arbitrator; or
 - agree the name of another sole arbitrator;
or
 - say that it does not agree to using a sole arbitrator;
 - name its own arbitrator; and may
 - object to the arbitrator named by the first firm.
- 2 If the second firm names its own arbitrator, the first firm must object to the nomination within seven days (one week) or it will be considered to have been accepted.
- 3 If the second firm does not respond, the arbitration cannot proceed with a sole arbitrator. Arbitrators must be appointed by or on behalf of both firms.

Bylaw 331

If one firm commences arbitration in line with Bylaw 327 but does not ask the other firm to agree to a sole arbitrator, the other firm must nominate its arbitrator in writing within 14 days (two weeks). Unless a reasoned objection is made in writing within seven days (one week), any arbitrator nominated by either firm will be considered to have been accepted by the other.

Bylaw 332

Once the arbitrator or arbitrators have been nominated and the periods allowed for objections have expired, and any objections dealt with, the arbitrator or arbitrators will be considered to have been appointed. Firms must then allow arbitrators to act independently in accordance with the law.

Bylaw 333

- 1 If one firm raises an objection to an arbitrator nominated by the other it must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the

reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result.

2 If either firm:

- fails to nominate an arbitrator within 14 days (two weeks) of being requested to do so, or
- fails to agree on a replacement arbitrator within 14 days (two weeks) of a substantiated and valid objection to a nomination,

the other firm can ask the President to make an appointment on behalf of the firm that has failed to nominate an arbitrator, or failed to agree on a replacement arbitrator within the time allowed.

3 The Association will give notice of the President's intention. If the firm in default does not nominate an arbitrator acceptable to the other firm within 14 days (two weeks) of that notice being given, the President may act.

4 Either firm can object to the Chairman or any member of a Quality Appeal Committee, but must do so within seven days (one week) of notice being given of the relevant appointment. Any objection must be made in writing, accompanied by the reasons for objection. An objection to an appointment will only be valid if the President decides that substantial injustice could result.

5 If an objection is not acted on and not withdrawn, the President must be asked to decide whether it is valid.

6 If new evidence comes to light after the normal time limits for raising an objection have expired, an objection may still be raised. The President will decide whether it will be heard and whether it is valid.

7 If a firm disagrees with the President's intention or decision it can appeal to the Directors but it must do so within 14 days (two weeks) of notice having been given. The Directors can use any of the powers given to the President at paragraph (3) and paragraph (4) above.

8 If the President should have a possible conflict of interest, he will not appoint arbitrators under these Bylaws. In that situation, the Vice-President or an acting President will have the same powers of appointment as the President.

Revoking the authority of an arbitrator, umpire or appeal committee member

Bylaw 334

1 Once an arbitrator, umpire or appeal committee member has been appointed, his authority cannot be revoked by either firm unless both firms agree.

2 If an arbitrator, umpire or appeal committee member ceases to be a Member of the International Cotton Association, he cannot continue to act in whatever capacity he was appointed unless the Directors agree.

3 The President may revoke an appointment and appoint an alternative:

if substantial injustice will be caused by him not doing so; or

if requested to do so by either firm in the following circumstances:

- if he upholds an objection under Bylaw 333;
- if an appointed arbitrator dies, refuses or becomes unable to act;
- if a sole arbitrator does not make an award within 21 days (three weeks) of having been appointed or the arrival of the samples at the place of arbitration, whichever is the later;
- if the two arbitrators do not make an award or appoint an umpire within 21 days (three weeks) of both having been appointed or the arrival of the samples at the place of arbitration, whichever is the later; or
- if the umpire does not make an award within seven days (one week) of the date of his appointment.

- 4 The Association will give notice of the President's intention. If a firm disagrees with the President, it can appeal to the Directors but it must give its reasons in writing within 14 days (two weeks) of notice having been given. The Directors can use any of the powers given to the President.

Timetables

Bylaw 335

1 In manual quality arbitrations:

- samples to be used must be taken within 42 days (six weeks) of the date of arrival of the cotton;
- arbitration must be commenced in line with Bylaw 327 within 49 days (seven weeks) of the date of arrival of the cotton; and
- samples must be sent to the place of arbitration within 70 days (10 weeks) of the date of arrival of the cotton.

2 In instrument test based arbitrations,

- samples to be used must be taken within 42 days (six weeks) of the date of arrival of the cotton;
- samples must be sent to the place of testing within 70 days (10 weeks) of the date of arrival of the cotton; and
- arbitration must be commenced within 21 days (three weeks) of the date the test results are published.

- 3 The Directors can extend these limits, but only if the firm concerned can show that substantial injustice would otherwise be done and that the request for an extension is reasonable in all the circumstances. Applications must be made to us

in writing. The-Directors will take the other firm's comments into account before it makes a decision.

The place of arbitration

Bylaw 336

- 1 Manual quality arbitrations can be held anywhere by agreement between the firms in dispute. If the firms cannot agree on the location for manual arbitration, such manual quality arbitrations will be held in our arbitration room.
- 2 In the event of an appeal on manual arbitration, the Directors will decide where the manual appeal will be heard.
- 3 We will stamp arbitration and appeal Awards and make them effective in Liverpool, without regard to where the arbitration or appeal takes place.

Procedures

Bylaw 337

- 1 Manual quality arbitrations will be conducted on the basis of samples and decided by manual examination.
- 2 Instrument testing arbitrations will be conducted on the basis of test reports. The information on the test reports will be final. The arbitrators may make an award if either of the parties fails to;
 - agree on the allowances to be applied; or
 - agree on the interpretation of the test report as applicable to the contract; or
 - pay an agreed allowance within 14 days (two weeks) of the test report being issued.
- 3 Bylaws 344 and 345 do not apply for instrument testing arbitrations.
- 4 Either firm can appeal against an Award given by the arbitrator, arbitrators or umpire in line with Bylaw 350, but no further instrument tests will be conducted.

Jurisdiction

Bylaw 338

Without prejudice to the provisions of the Act relating to jurisdiction, the arbitrators and umpire may rule on their own jurisdiction, that is, as to whether there is a valid arbitration agreement, whether the tribunal is properly constituted and what matters have been submitted to arbitration in accordance with the arbitration agreement.

Bylaw 339

- 1 If one firm commences a quality arbitration and the other firm disputes jurisdiction or the terms of the contract regarding quality, there will be a technical arbitration unless the firms agree otherwise. The technical Award will say:
 - whether we have jurisdiction,
 - what matters are subject to quality arbitration; and
 - what contract terms apply with regard to quality.
- 2 A firm can challenge this Award by appeal to the Directors in the normal way.
- 3 A quality arbitration may then take place providing the technical arbitration or appeal finds that:
 - there is a valid arbitration agreement; and
 - our Bylaws apply.

Standards

Bylaw 340

- 1 When we refer to any of the 'Universal Standards' for quality, we mean the Universal Standards for colour and leaf grade, adopted under the Universal Cotton Standards Agreement existing between us and the United States Department of Agriculture.
- 2 The Association will hold a complete set of 'Universal Standards'. Individual Members can inspect them during our office hours. They may be used in settling arbitrations and appeals.
- 3 The Standards will be available for regular inspection by the Quality Appeal Panel. If they ever consider that any standard has changed, the Panel will take action.

Bylaw 341

- 1 'ICA Official Standards' are those that have been approved by the Directors and confirmed by the Association.
- 2 The Association will hold the standards. Individual Members can inspect them during our office hours. They may be used in settling arbitrations and appeals.
- 3 The Standards will be available for regular inspection by the Quality Appeal Panel. If they ever consider that any standard has changed, the Panel will take action.
- 4 The Directors will approve changes to the standards after considering comments of the Quality Appeal Panel. We will give each Registered Firm and Individual Member 14 days (two weeks) written notice of proposed changes. We will then confirm the changes. The new standards will come into effect the day after they have been confirmed. They will apply to contracts made on or after that date.

- 5 New standards for growths or grades of cotton will be used as soon as we have confirmed them.

Application of value differences to disputes

Bylaw 342

- 1 Unless Bylaw 346 or Bylaw 352 applies, or the firms in dispute agree otherwise, quality arbitration Awards will be based on the differences in value fixed by the Value Differences Committee.
 - In the case of CIF and CFR contracts, the value difference that will apply will be the difference on the date of arrival of the cotton.
 - In the case of FOB contracts, the value difference that will apply will be the difference on the date of the bill of lading or other document of title.
 - In all other cases, the value difference that will apply will be the difference on the day the buyer receives title to the cotton.
- 2 Value differences take effect from the start of the day after they are published.
- 3 If differences are not fixed, Awards will be based on the differences in value in a market appropriate to the contract. The arbitrator or arbitrators, or umpire, or Quality Appeal Committee will decide the appropriate differences.
- 4 The above methods will be used to calculate an Award.

Bylaw 343

- 1 In quality arbitrations, Awards can be shown as cash amounts or they may be shown as fractions of the appropriate currency for the weight specified in the contract.
- 2 In CIF and similar contracts, the Awards for grade and staple length will be shown separately. This does not apply to contracts for cotton linters or cotton waste.

'Average grade'

Bylaw 344

- 1 Arbitration on cotton sold as average for any particular grade will be settled by classing the different lots. Grades or fractions of grades will be sorted into those above and below the grade's standard. Whatever turns out to be average will be passed. An allowance will be made on the rest.
- 2 This will apply unless the buyer and the seller agree otherwise.

Classification

Bylaw 345

- 1 If a firm appeals against a quality arbitration Award and pays the extra set fee, the Quality Appeal Committee will issue a certificate showing the true classification breakdown for grade, colour or staple length.
- 2 American Upland Cotton

The colour and leaf grade of American Upland cotton will be classified under the 'Universal Standards'.

American Pima Cotton

The grade and colour of American Pima cotton will be classified under the official cotton standards of the USA.

In both cases, staple length will be classified under the terms of the United States Department of Agriculture standards.
- 3 Non-American Cotton

In the case of a growth for which we have 'ICA Standards', grade will be classified by those standards. Staple length will be classified under the terms of the United States Department of Agriculture standards.
- 4 Anyone who wants cotton to be classified must ask at the same time as they apply for an appeal.
- 5 Classification will only refer to the bales sampled.

Cotton which is outside the normal quality range

Bylaw 346

- 1 In arbitrations and appeals on cotton which is outside the normal quality range of its relevant growth, the intrinsic value of the cotton will be established. That value will be taken into account in arriving at an Award. In cases where the value cannot be determined, arbitration will be based on the contract price.
- 2 In arbitrations and appeals on cotton waste, linters, pickings and so on, arbitration will be based on the known value. Arbitration will be based on the contract price if the actual value cannot be established.
- 3 The arbitrator or arbitrators, or umpire and an appointed Quality Appeal Committee can take advice or evidence from firms or individuals who are connected with the cotton trade and are experts in cotton waste, linters, pickings and so on.

Anonymous arbitration

Bylaw 347

- 1 Anonymous quality arbitration means that we will not disclose the names of the firms in dispute, or the arbitrators' and umpire's names.
- 2 If a dispute about quality arises and both firms agree that it should go to anonymous quality arbitration, the following paragraphs are exceptions to the general arbitration procedure.
- 3 Either firm can apply for anonymous arbitration by writing to the Secretary. They must explain the point at issue and give proof that the other firm is in agreement with the request.
- 4 Those asking for the arbitration must give information about the status of the firms to the Secretary, to enable fees and charges to be set.
- 5 When the President receives the proof, he will appoint two Individual Members as arbitrators. If the arbitrators cannot agree on an Award within 21 days (three weeks) of being appointed, the President will appoint an umpire.
- 6 The President can appoint a new arbitrator or arbitrators or umpire in either of the following situations:
 - if an arbitrator or umpire dies during the arbitration process, refuses or becomes unable to act; or
 - if an umpire does not give his written decision on any matter referred to him by the arbitrators within seven days (one week) of him being asked to do so by either of them.
- 7 The arbitrators and umpire will not be given the names of the firms in dispute, and the firms will not be given the arbitrators' and umpire's names.
- 8 The Secretary will be responsible for giving any relevant selling type and samples, or the test results, and contract extracts to the arbitrators and umpire. The extracts will only be those which refer to quality. For manual arbitration he will replace the seller's type and samples identification marks with numbers before they go to the arbitrators and umpire.
- 9 Awards must be made on special forms. If all fees and expenses have been paid, we will send the Award to the firms in dispute.

Quality Arbitration Awards

Bylaw 348

- 1 An Award shall be made in writing on our official form, dated and signed by the arbitrator/s or the umpire as applicable. The Chairman or Deputy Chairman and the Secretary of the appeal committee must sign an appeal Award.
- 2 A quality Award will not contain reasons for the Award.

- 3 Any Award shall state that the seat of the arbitration is in England and the date by which we must receive notice of appeal.
- 4 All Awards made under our Bylaws will be treated as having been made in England, regardless of where matters were decided, or where the Award was signed, despatched or delivered to the firms in dispute.
- 5 We will stamp every Award in our offices on the date of the Award, and apply the scale of fees laid down in Appendix C of the Rule Book.
- 6 An Award will only become effective and binding when we stamp it.
- 7 After we stamp an Award, we will notify all of the parties concerned.
- 8 The Award will only be released upon payment of the stamping fee and any outstanding fees, costs and expenses.
- 9 The Association will keep a copy of every Award.

Interest on Awards

Bylaw 349

The arbitrator/s, umpire or Quality Appeal Committee can award simple or compound interest from such dates and at such rates as they consider just.

Quality Appeals

Bylaw 350

- 1 If either firm disagrees with an arbitrator's or arbitrators', or umpire's Award, it can appeal within the period allowed in the Award. It must send Notice of Appeal to us in writing. The reasons for appeal must be given when the appeal is made. The Chairman or Deputy Chairman of the appeal committee will then set the dates by which any further reasons or responses must be received.
- 2 We can demand an application fee set by the Directors. Details are laid down in Appendix C of the Rule book. We must receive these amounts within 14 days (two weeks) of the date of our invoice or the appeal will be dismissed.
- 3 This Bylaw does not apply to disputes over the costs of arbitration.
- 4 The appeal will be heard by a Quality Appeal Committee ('appeal committee') to be selected from the Quality Appeal Panel elected annually. The members of the Quality Appeal Panel will select a Chairman and Deputy Chairman. The Chairman and Deputy Chairman will select from the panel no less than two and no more than four of the members who are considered most qualified to judge the growth concerned to form a Quality Appeal Committee.
- 5 The appeal committee will not hear an appeal before the end of the period allowed to appeal unless both firms agree, or both have appealed.

- 6 The appeal committee can allow new evidence to be put forward covering all of the matters in dispute, unless the appeal refers to an instrument test arbitration, in which case the information contained in the last test report will be final.
- 7 The appeal committee will decide the issues by a simple majority vote. Every member, including the Chairman and Deputy Chairman will have one vote. If both sides have the same number of votes, the Chairman will vote again to decide the issue.
- 8 A Director cannot be involved in any decision about an appeal or be on an appeal committee if he has acted as an arbitrator or umpire in the dispute, or substantial injustice could result.
- 9 An Individual Member cannot be on an appeal committee if he has acted as an arbitrator or umpire in the dispute, or substantial injustice could result.

Bylaw 351

- 1 Before it refers to the decision of the arbitrators, a Quality Appeal Committee must conduct an assessment of the cotton, or, in the case of instrument testing, the test report, and form an opinion. But, before making its final decision, the committee must refer to the arbitration Award.
- 2 If new arguments are offered to do with jurisdiction or the terms of the contract regarding quality, which have not been the subject of a technical arbitration or appeal, the committee will reach a decision and make an Award based on the evidence.
- 3 However, in appeals against Awards under Bylaw 347:
 - the names of the parties to the contract and the parties appealing will not be disclosed to the Quality Appeal Committee at any stage;
 - if either party presents a previous appeal Award, or arbitration Award if there has been no appeal, there must also be a letter with it guaranteeing that the lot which is the subject of the appeal to us is the lot, bale for bale, which the previous Award was for; and
 - the committee can refer to the arbitration or appeal decision before giving its Award, but will not be bound by them.

Appeals on arbitrations conducted elsewhere

Bylaw 352

- 1 If a manual quality arbitration was conducted under the rules of another Association, an appeal can still go to the Quality Appeal Panel. However, this must be agreed in writing by the firms in dispute.
- 2 The appeal Award will be based on the value differences used for the arbitration Award, but the cotton will be judged against the appropriate 'Universal Standards' or 'ICA Standards'. If no other value differences are available, our differences will apply.

- 3 Appeals must be lodged within the time limits laid down in the rules of the association under which the arbitration was held.
- 4 The samples for the appeal must be the same samples that were used in the arbitration. They must be sealed as the authentic samples and they must be signed as being so. The samples must then be sent to us. They must come with a statement saying whether the arbitration was held under natural or artificial light.
- 5 If an instrument test arbitration was conducted under the rules of another association, an appeal can still go to the Quality Appeal Panel. However, this must be agreed in writing by the firms in dispute. Bylaw 350 will then apply.

Amicable settlements

Bylaw 353

- 1 If firms in dispute achieve a settlement prior to commencement of arbitration, but require a record in the form of an Award, they may agree jointly on appointing a sole arbitrator to make an award recording the agreed settlement.
- 2 If firms settle their dispute after arbitration has commenced, they must inform us immediately. The sole arbitrator, tribunal or appeal committee will then not make any Award unless they are asked to record the settlement in the form of an Award, and they agree to do so.
- 3 If the sole arbitrator, tribunal or appeal committee makes an Award, it will have the same status and effect as any other award.
- 4 Any outstanding fees and expenses of the sole arbitrator, tribunal or appeal committee, and any stamping charge set by us must be paid.
- 5 Where money has been deposited with us under Bylaw 356 (4) or Bylaw 311 (2) by way of deposit against any fees, costs or expenses in connection with or arising out of the arbitration or the appeal (as the case may be), the tribunal or appeal committee shall determine what, if any, proportion shall be refunded. Such determination shall take account of the amount of work undertaken, and/or legal fees incurred by the tribunal or appeal committee at the date they receive notice of the settlement.

Fees and Charges

Application fees for arbitrations

Bylaw 354

- 1 The application fees set by the Directors for arbitrations are laid down in Appendix C of the Rule Book.
- 2 A dispute may cover more than one contract, but a firm will have to pay us a separate application fee for each arbitration.

Application fees for appeals

Bylaw 355

- 1 The application fees set by the Directors for appeals are laid down in Appendix C of the Rule Book.
- 2 If they think it is appropriate, the Directors can reduce the amount of the application fee, or refund all or part of it.

Other Fees and Charges - Technical

Bylaw 356

- 1 Arbitrators, including technical appeal committee members, shall be entitled to charge fees which shall be fixed by reference to the total amount of time reasonably devoted by each arbitrator/technical appeal committee member to the arbitration/appeal and shall be in accordance with the following scale or such scale as shall be determined by us from time to time:
 - An hourly rate shall be charged up to a maximum of £150 per hour.
 - Fractions of an hour after the first hour shall be charged pro rata.
 - A minimum fee of £100 shall be payable to each arbitrator.
- 2 The Chairman of the tribunal and the Chairman of a technical appeal committee shall be entitled to increase the above fee scale, and charge fees at a reasonable rate within their discretion in arbitrations/appeals of extraordinary complexity and/or value.
- 3 Where the tribunal or technical appeal committee find it necessary to obtain legal advice on any matter arising from an arbitration or appeal, reasonable legal fees thereby incurred will be payable as directed in the Award.
- 4 At any time after the receipt by us of 'the Request' and from time to time thereafter, the Chairman of the tribunal may demand that sums of money be deposited with us by any party to the dispute, by way of deposit against any fees, costs or expenses in connection with or arising out of the arbitration. Failure by any party to pay any such sums shall entitle the tribunal to suspend or discontinue the arbitration proceedings until such sums are paid.
- 5 When an Award is presented for stamping in accordance with Bylaw 309 each arbitrator or technical appeal committee member shall invoice us:
 - For all fees, clearly stating their applicable hourly rate. Arbitrators are required to submit a "Work Report" with a brief description of each activity undertaken and the time spent on each activity.
 - For all claimed expenses, where applicable, which shall be submitted to us in the form of an "Expenses Report".

- 6 The Work Report, and Expenses Report if applicable, shall be forwarded to both parties by the Secretariat within 14 days (two weeks) of the award being released.
- 7 The payment of fees and expenses to arbitrators and technical appeal committee members is conditional upon the Association's receipt of the Work Report and Expenses Report if applicable.
- 8 Subject to the foregoing, arbitrators and Appeal Committee members shall be entitled to prompt payment of fees and expenses following release of the Award. If, following a review under Bylaw 357 the Directors determine that any fees or expenses are unreasonable, the arbitrators and technical appeal committee members shall act in accordance with the decision of the Directors.

Bylaw 357

- 1 If, once an award is released, a firm considers that the fees and expenses charged are unreasonable, it can ask the Directors to review the amounts. The Directors will decide how much is to be paid.
- 2 We must receive notice of a request under this Bylaw within 21 days (three weeks) of the award being released.

Bylaw 359

- 1 The general principle is that costs follow the event, but subject to the overriding discretion of the tribunal and appeal committee as to which party will bear what proportion of the costs of the arbitration.
- 2 In the exercise of that discretion the tribunal shall have regard to all the material circumstances, including such of the following as may be relevant:
 - Which of the issues raised in the arbitration has led to the incurring of substantial costs and which party succeeded in respect of such issues.
 - Whether any claim which partially succeeded was unreasonably exaggerated.
 - The conduct of the party which succeeded on any claim and any concession made by the other party.
 - The degree of success of each party.

Other Fees and Charges - Quality

Bylaw 360

- 1 Quality arbitrations
 - The lowest fees for quality arbitrations are laid down in Appendix C of the Rule Book however the arbitrators may charge more.
 - Both firms are liable to pay a fee. The arbitrators will apportion the fees payable by each firm.

2 Quality appeals

- The lowest fees for quality appeals are laid down in Appendix C of the Rule Book, however the appeal committee may charge more.
- Each firm appealing will be liable to pay a fee. The appeal committee will apportion the fees payable by each firm.

3 Cotton waste, linters and pickings

The quality arbitration and appeal fees on cotton waste, linters and pickings are the same as the fees for quality arbitration and appeals on cotton.

4 Classifications

The fee for classification under Bylaw 345 is laid down in Appendix C of the Rule Book. Only the firm asking for the classification will have to pay the fee.

Bylaw 361

- 1 If an umpire is appointed in a quality arbitration, he will receive an amount equal to 50% of the lowest fee to be paid for quality arbitration by a Principal Firm.
- 2 The arbitrator whose Award/findings vary the most from that of the umpire will be liable to pay the umpire fees from his fee. If there is equal disagreement, each arbitrator will pay half. In a quality appeal, the appeal committee will decide which arbitrator has to pay the umpire.

Bylaw 362

- 1 If, once an Award is released, a firm considers that the fees and expenses charged by the arbitrator or arbitrators, umpire or appeal committee are unreasonable then it can ask the Directors to review the amounts. The Directors will decide how much is to be paid.
- 2 We must receive notice of a request under this Bylaw within 14 days (two weeks) of notice of fees and expenses being given or the Award being released, whichever is the earlier.

Stamping charges

Bylaw 363

- 1 The stamping charges are laid down in Appendix C of the Rule Book. The rate to be paid will be in line with the firm's registration status on the date of the contract giving rise to the dispute. If a firm has been suspended or expelled from registration, or has been refused re-registration since arbitration was commenced, it must pay the non-registered rate.
- 2 Quality arbitrations and appeals

In a quality arbitration both firms will be liable to pay a stamping charge but the arbitrators will apportion the charge payable by each firm.

In a quality appeal under Bylaw 352 each firm appealing will be liable to pay any stamping charge but the appeal committee will apportion the charge payable by each firm.

Liability for payment of fees

Bylaw 364

If a Principal Firm appoints an arbitrator or umpire for one of its subsidiary firms that is not a registered firm, and the non-registered firm fails to pay, the Principal Firm will be liable for any arbitration, umpire and stamp fees due.

Unfulfilled awards and defaulting parties

Reporting

Bylaw 365

- 1 If the Association receives written advice from a party to an Award, (“the Reporting party”) or from their representative that an Award has not been complied with by the other party to the Award (“the alleged defaulter”), the Directors are to be informed.
- 2 Before acting on such advice, the Secretary shall write to the alleged defaulter notifying them of the Directors’ intention to list their name unless, within a period of 14 days (two weeks), the alleged defaulter provides them with compelling reasons not to do so. The Directors shall consider any reasons submitted by the alleged defaulter before deciding whether or not the information received from the Reporting Party should be circulated.
- 3 The Directors may pass on the name of the defaulting party to Individual Members, Member Firms, Member Associations of the Committee for International Co-operation between Cotton Associations (CICCA) or any other organisation or person by any method it chooses, including the listing of the name of the defaulter and appropriate details in the publicly accessible area of the Association’s website.
- 4 If the Directors so decide, this information and any other appropriate information will be circulated on a list of unfulfilled Awards, to be known as the ‘ICA List of Unfulfilled Awards’.

Advisory Notices

- 5 The Directors may also at any time circulate to Individual Members, Member Firms, and Member Associations of the Committee for International Co-operation between Cotton Associations (CICCA), an Advisory Notice advising them of any entity which appears to be related to, or utilised by a defaulter. Such Advisory Notice shall also be displayed in that area of the Association’s website restricted to Individual Members and Member Firms.

6

- a Where the party requesting the issue of an Advisory Notice is not the Reporting party who has provided the advice referred to in paragraph (1) above (“the Advising party”) the Secretary will write to the Reporting party notifying them of the request and seeking comments within seven days (one week).
 - b After receipt of comments, if any, from the Reporting party, the Secretary may write to the defaulter and other parties that it proposes to name in the Advisory Notice, informing them of the proposed contents of the Advisory Notice and asking them to provide evidence to rebut the contents of the same within 14 days (two weeks).
 - c The Directors will consider any comments or evidence received under paragraph (6a) and paragraph (6b) above and will decide whether or not an Advisory Notice ought to be issued.
- 7 The Reporting party has responsibility for the accuracy of the information supplied directly to the ICA under this Bylaw and shall indemnify and hold harmless the Association and its Directors from and against all liabilities, damages, costs and expenses incurred by them or either of them by reason of any inaccuracy in such information. The reporting party shall inform the Association immediately should the Award be settled to enable the party to be removed from the List of Unfulfilled Awards.
- 8 The Advising party has responsibility for the accuracy of the information supplied directly to the ICA under this Bylaw with regard to paragraph (5) and paragraph (6a) above and shall indemnify and hold harmless the Association and its Directors from and against all liabilities, damages, costs and expenses incurred by them or either of them by reason of any inaccuracy in such information.
- 9 The parties to any arbitration shall be deemed to have consented to the Directors taking the action set out in this Bylaw.

Bylaw 400

Applications for membership must be made on forms approved by the Directors. The forms are available from the Secretary.

Bylaw 401

Individual Members and Registered Firms must write to the Secretary at once if any of the information presented to the Association in their application changes. If the Secretary asks an Individual Member or Registered Firm to confirm that the information they gave in their application is still correct, they must reply immediately.

Bylaw 402

If the Directors suspend a Registered Firm, we will treat it as a non-registered firm during the time it is suspended.

Bylaw 403

The conditions for registration are laid down in the Articles of Association.

Bylaw 404

- 1 Each year Member Firms will pay the registration fee set by the Directors.
- 2 All Member Firms are entitled to receive a current copy of our Bylaws and Rules and all later amendments.
- 3 The Directors may cancel the registration of a Member Firm but will refund the registration fee paid, proportionate to the unexpired period in the year in which cancellation is effected.

Bylaw 405

- 1 A **Principal Firm** is either a Merchant or a Producer or Mill.

Applications for registration must be proposed and seconded by Individual Members of the Association.

Each firm will have at least one Individual Member.

Principal Firms may apply to register any of their related companies as an Independent Related Company or a Dependent Related Company. There is no limit on the number of Related Companies a Principal Firm may register, but no more than five will pay the fee set by the Directors. The relationship between Principal Firms and Related Companies will be kept confidential.

2 An **Affiliate Industry Firm** is a firm or organisation that provides a service to the cotton trade.

Applications for registration must be proposed and seconded by Individual Members of the Association.

Each firm will have at least one Individual Member.

Affiliate Industry Firms may apply to register any of their related companies as a Dependent Related Company. There is no limit on the number of Related Companies an Affiliate Industry Firm may register, but no more than five will pay the fee set by the Directors. The relationship between Affiliate Industry Firms and Related Companies will be kept confidential.

3 An **Agent Firm** is any firm that provides an agency service so as to bring a Principal Firm into contractual relationships with other parties.

Applications for registration must be proposed and seconded by Individual Members of the Association.

5 An **Association Member Firm** is any producer or mill that is also a member of an Affiliated Association.

Applications for registration must be proposed and seconded by Individual Members of the Association.

Association Member Firms will not be entitled to have an Individual Member.

Bylaw 406

1 An Individual Member, Principal Firm, Related Company or Association Member Firm cannot resign if:

- he or it is involved in arbitration arising out of a contract governed by International Cotton Association Bylaws or Rules or ICA arbitration; or
- there is an unfulfilled quality or technical arbitration or appeal award against them, made under our Bylaws.

2 Paragraph (1) does not take away the Directors' right to suspend or expel an Individual Member or Member Firm found guilty of an offence at any time under the Articles.

3 The Directors may cancel the registration of an Individual Member and may refund the registration fee paid, proportionate to the unexpired period in the year in which cancellation is effected.

- 4 If any Individual Member or Registered Firm resigns, but the Directors do not accept the resignation, the Individual Member or Registered Firm will lose all rights and privileges that they get from membership or registration. They will not be able to withdraw from or avoid arbitration arising from contracts they have entered into.
- 5 The loss of rights and privileges will not prevent another firm seeking arbitration on claims arising out of existing contracts.

Elections

General

Bylaw 407

Each year there will be an election for President, First Vice-President, Second Vice-President, Ordinary Directors and committees. The procedure is as follows:

- 1 A notice of the election will be sent to each Individual Member who is entitled to vote at least 35 days (five weeks) before the Annual General Meeting. Nominations must be sent to the President within 14 days (two weeks) of the notice going out.
- 2 Individual Members who are entitled to vote can put names forward to be elected as President, First Vice-President, Second Vice-President or as an Ordinary Director. The names must be put forward in writing by a proposer and seconder. Before any candidates are put forward, they must give their permission and be willing to serve.
- 3 Individual Members who have held office as President, First Vice-President, Second Vice-President, Treasurer or as an Ordinary Director of the Association, but have ceased to hold such office, may put their names forward to be elected as a member of the approved panel from which the Directors will appoint as necessary, a Committee known as the Preliminary Investigation Committee which is charged with investigation alleged offences under Bylaw 418 or the Articles of Association.
- 4 Individual Members who are entitled to do so can put their own names forward to serve on Members' Committees. They do not need to be proposed or seconded.
- 5 If there are as many candidates as vacancies, those candidates will be taken as being elected.
- 6 Voting lists will be sent out at least 21 days (three weeks) before the Annual General Meeting. They will give the candidates', proposer's and seconder's names. They will go to each Individual Member entitled to vote. Voting is done by putting the voter's initials against chosen names. The lists must be sent to the President. This must be done within 14 days (two weeks) of the lists going out.
- 7 Individual Members must vote for at least two thirds of the vacancies.
- 8 Any vote not made according to these instructions will not count.

- 9 The President and Secretary will determine the result of the voting. The President's decision will be final.
- 10 If two or more candidates get the same numbers of votes, the President will make a deciding vote.
- 11 The President has the final say on:

 - the number of votes; and
 - all questions or disputes relating to the election.
- 12 If more candidates apply than there are vacancies, those with the highest number of votes will be elected.
- 13 If there are not enough candidates, the Directors can appoint qualified Individual Members to fill the vacancies. Those appointed by the Directors will hold office for the same time and as if they had been elected.
- 14 The Secretary will post the results on the Association's website.
