Cotton
Association**

HELLO...

It is my pleasure to invite you to be part of our next major international trade event - Singapore 2023, Hello Asia.

Our trade event is returning to Asia for the first time in 5 years so we are saying a big HELLO to new faces, old friends and business opportunities. Singapore is the perfect destination for the industry to come together and do business.

This year's event will take place over two days (11-12 October) at the Fairmont / Swissotel Raffles City Convention Centre and the elegant Clifford Pier. The event will conclude with a spectacular Gala Dinner celebration.

Our sponsors play an important role in our event. You are also our valued partners. We are committed to making sure that you get the most out of your financial investment. We will ensure that your brand is prominent in both our event marketing material and our popular event app. This will place your company's name, products and services in the hands of potential customers.

By taking advantage of the fantastic sponsorship packages on offer you will have the opportunity to be right at the heart of this popular and diverse event.

We welcome the opportunity to work with you and thank you for your support.

Bill Kingdon
ICA Managing Director

THREE REASONS TO SPONSOR...

Meet new contacts & strengthen key relationships

Maximising networking opportunities for our attendees is an important priority. We work hard to provide places for formal and informal networking. Our sponsorship packages can provide you with a meeting space away from the hustle and bustle so that you can welcome old and new contacts in your own private space.

Showcase your brand to a diverse audience

We are anticipating more than 600 participants from over 40 countries, representing all sectors of the industry and have carefully shaped our sponsorship packages to maximise your brand's visibility at the event. From digital signage to adverts on our event app, we ensure your presence is highlighted; at all times and to all delegates.

Committed to cotton

Our mission is to protect the legitimate interests of all those who trade cotton, whether buyer or seller. Our long term vision is to ensure contract sanctity in the global trade of cotton. By sponsoring our flagship event you are showing your investment in the cotton trade and the community around it.

2023 PACKAGES
